In case of an accident, remember to:

- Call the Police (911);
- **DO NOT** talk to anyone about the accident other than the police;
- **DO NOT** give a recorded statement to any insurance company;
- Write down the name, address and telephone number of all people involved;
- For the drivers of all vehicles, get their driver's license number, vehicle registration, plate number, and insurance company with policy number;
- Write down the name, address and telephone number of any/all witnesses;
- Go to the hospital for treatment, if you are injured;
- Take photographs of the scene and involved vehicles;
- Call **Sorkin Law Group**, to find out your legal rights.
